

FOR IMMEDIATE RELEASE:

Accept mobile payments

Launch of PayByPhone & SMS in Austria

Monday, 26th June 2007.

Merchants can now offer their digital products to the Austrian market with the launch of Surf pin's PayByPhone and PaybySMS technology. With a choice of tariffs up to €10 merchants can specify rates for a one-off purchase of digital content or even a monthly access of a website member's area.

Consumers call a premium rate line or SMS a short code and are issued an 8 digit number. The call lasts less than 1 minute and the SMS takes only a few seconds. The charge then appears on the consumer's usual telephone bill.

Launching in Austria has opened up a potential 9 million new consumer's to Surf pin payment mechanisms. It is part of our strategy to enable the whole of Europe to accept Surf pin payments thus increasing the total number of potential consumer's to 1 trillion globally.' says Nicholas Grubb, Marketing Director of Surf pin.
